## FOR IMMEDIATE RELEASE

### TREE REMOVAL UPDATE FOR MOUNTAIN ROUTES

**San Bernardino County** – Caltrans has resumed tree removal on mountain routes this week in the San Bernardino County Mountains. The work hours are Monday through Friday from 7:00 a.m. to 5:00 p.m. Most of the work will not impede traffic, however, infrequent lane closures may be necessary to ensure the safety of motorists due to falling trees. If a lane closure is necessary it will take place between 8:30 a.m. to 2:30 p.m. Delays are expected to be less than 15 minutes.

No lane closures will take place on June 22, 2006 due to high school graduation (except for SR-38).

Below is the schedule and locations of work:

- May 1 through May 30 - State Route 138 from Burnt Mill Canyon (Post Mile 29.3) to the junction of State Route 18.
- June 1 through July 31 – State Route 173 from Big Pines Creek (Post Mile 10) to the junction of State Route 18.
- August 1 through October 1 – State Route 189 from the junction of State Route 18 to the junction of State Route 173.
- May 1 through October 1 – State Route 38 from Big Bear Dam to Valley of the Falls.
